

Nissan NV Full Size Van Windows

From *ParKin Accessories*, manufactured exclusively from *Hehr International*

ParKin Accessories Inc.

Aftermarket windows now available for the Nissan NV Van. Tempered dark glass for the "factory look".

These **Hehr** brand side windows install with easy-install clamp ring mounting.

Available in fixed, (stationary) configurations to start. The rear door windows will be contoured glass and a glue installation like that of a windshield, not a clamp ring mounting. Soon, we will have vented side windows available also.

This is an artists rendering of rear door windows.

	PART NUMBER Fixed window	PART NUMBER Vented window

Nissan NV 200 Van Windows

NEW windows for Nissan NV200 vans.
They are made similar to the full sizes NV van windows we currently have in stock.
Please, call us for updates!

These stationary windows exclusively designed by Hehr, have a clamp ring mount installation like the Full Sized NV windows. Nice clean cut out stays within the pinch welds. All glass look on the outside for a "factory look".
