

# NISSAN NV VAN SOLUTIONS

Introducing WEATHER GUARD® Nissan NV Van Solutions featuring driver-friendly bulkheads and a wide range of shelving, specialty storage and roof rack options that meet your specific work needs. Because professionals can't do their work with anything less.

**FOR THE WAY YOU WORK™**

[WWW.WEATHERGUARD.COM](http://WWW.WEATHERGUARD.COM)

FIRST THE MERCEDES SPRINTER. NEXT, FORD TRANSIT CONNECT. NOW, THE NISSAN NV.

# WEATHER GUARD® KEEPS WORKING FOR YOU.

WEATHER GUARD® has engineered hard-working storage solutions for the new Nissan NV Van, featuring driver-friendly bulkheads and a wide range of shelving, specialty storage and roof rack options. We keep working hard so you can work more easily.

Inside the cab, you can stretch out with 4" of extra leg room with the exclusive WEATHER GUARD® Nissan NV bulkhead design. Within the cargo area, you'll have over 90" of shelving to keep your tools and equipment secure and organized. And with our exclusive bulkhead Dog Hatch™ Door, storing extra-long supplies is no problem. Outside the van, the EZ-GLIDE® System smoothly lifts and lowers your ladder racks, especially handy on the over 9' tall high-roof model.

You get all this innovation, security and organization—without time-consuming installations. Using pre-inserted nuts, just bolt and go. WEATHER GUARD® working smarter and harder, just like you.

# SHELVING & STORAGE UNITS

## EASY-TO-ASSEMBLE JUMBO STEEL SHELVING UNITS

WEATHER GUARD® shelving units come in two heights and two widths, customized to fit in the Nissan NV standard-roof and high-roof models. Our 59-1/2" Jumbo Shelving is the tallest in the industry, a WEATHER GUARD® exclusive for increased capacity for tool and equipment storage and security. Shelving, cabinets, drawers and end panels built with heavy-duty 18-gauge steel for unmatched toughness and durability. ARMOR TUF® Brite White Power Coat finish provides years of worry free durability-and brightens up dark spaces. No drilling or time-consuming installations. Using pre-inserted nuts, just bolt and go.

# ROOF RACKS

## ROOF RACK OPTIONS: QUALITY RISES TO THE TOP

Options for storing ladders and equipment on the roof of your Nissan NV include the sturdy aluminum Quick Clamp Rack, which uses a patented gas spring-assisted Quick Clamp. The WEATHER GUARD® distinctive, trademarked RED TIPS show that you work with the highest-quality equipment available. WEATHER GUARD® also offers the automatic EZ GLIDE® System for loading and unloading ladders with the use of an ergonomic drive arm. A hydraulic cylinder provides a smooth, quiet and effortless descent and a zero-impact drop that reduces noise and equipment wear—there's no strain or load on your shoulder. Installation is easy—you don't have to drill any holes.

### ROOF RACKS

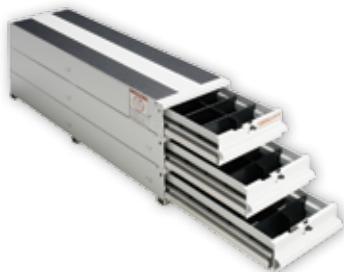

Model	Description	Ship Wt.
261-3-01 (Standard)	EZ-GLIDE® System Ladder Rack	70 lbs.
262-3-01 (High-Roof)	EZ-GLIDE® System Ladder Rack	80 lbs.

\*Requires adapter kit 32-8944 to directly attach to Nissan NV roof-mounts

# SPECIALTY STORAGE

## SPECIALTY STORAGE OPTIONS

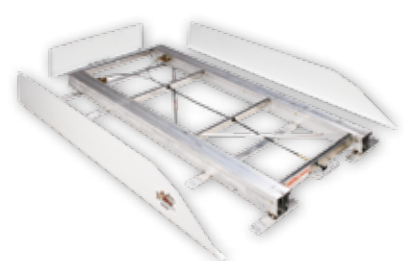

WEATHER GUARD® provides even more storage options to make the most of your Nissan NV's cargo space. ITEMIZER® Drawer Units are an exclusive lightweight aluminum solution complete with drawer dividers that keep small items at your fingertips. Heavy-duty PACK RAT® Drawer Units can be mounted inside the rear or side of the vehicle and give you easy access to large tools and supplies while leaving floor space open. The BED RAT® Sliding Platform allows you to pull items toward you from the cargo area, either from the side or rear of the vehicle, eliminating the need to crawl inside the van. Organization has never been so simple. Please refer to [www.weatherguard.com](http://www.weatherguard.com) for dimensions and specifications.
