Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and take actions to prevent collisions. See Owner's Manual for safety information.

Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings on the road are sharp and clear. RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

Rear Cross Traffic Alert cannot eliminate blind spots and may not detect all vehicles. See Owner's Manual for safety information.

Blind Spot Warning cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information.

Nissan Safety Shield technologies cannot prevent all collisions or warn in all situations. Always monitor traffic and weather conditions. See Owner's Manual for important feature information.

Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. Model-year specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Not all features may be available on all models or trims. Features and specifications may vary from vehicle to vehicle. See Owner's Manual for full details.
