Find your frontier

Plan your route. Pack your bags. Prep your gear. Your true domain awaits. It’s time to go out and find it. Redefine your idea of freedom with capability that expands your realm and inspires new adventures. This is the new Nissan Frontier.
The destination is rocky, dusty, and sometimes rough. Getting there doesn't have to be. With the available Remote Engine Start System, start your Frontier® remotely,3, 4 hop in, and you'll be cradled in a prewarmed or precooled interior that defies discomfort with standard Zero Gravity front seats and conquers cold with available Dual Zone Automatic Temperature Control and available heated front seats.

Welcome to the great indoors
Devoted to dirt

Between the straight lines and smooth surfaces of society lie all things jagged, dusty, rutted, sandy, muddy, and rocky. Excel in this environment with Frontier® PRO-4X.®

Off-road Upgrades With its all-terrain tires, Bilstein® off-road performance shocks, electronic locking rear differential, and skid plates, the PRO-4X checks all the boxes of a legit off-road performer.

Switch-operated 2-speed Transfer Case 4x4 The Frontier PRO-4X is a true 4x4, with three driver selectable modes — 2WD, 4H, and 4L0 — so you can thrive in just about any environment you encounter.

Dedicated Off-road Display Keep track of pitch, roll, and key off-road functions, like 4x4 engagement and differential lock status, for a more confident day on the trail with the PRO-4X.

Intelligent Around View® Monitor Like a virtual spotter, available Intelligent Around View® Monitor with Off-Road Mode can show more of the trail around you to help you navigate tougher obstacles.®
Frontier® backs you up with a wide assortment of standard and available safety features and driver assist technologies that can help you avoid accidents and give you more peace of mind when you’re towing, hauling, and doing truck things.6, 7

Nissan Safety Shield® 360 and driver assist technologies

- Standard Automatic Emergency Braking with Pedestrian Detection
- Available Rear Automatic Braking
- Available Rear Cross Traffic Alert
- Available Blind Spot Warning
- Available Lane Departure Warning
- Available High Beam Assist
- Available Intelligent Cruise Control

Nissan® backs you up with a wide assortment of standard and available safety features and driver assist technologies that can help you avoid accidents and give you more peace of mind when you’re towing, hauling, and doing truck things.6, 7
Nissan Frontier® Crew Cab PRO-4X® shown in Boulder Gray Pearl with up to 1,220 lbs. maximum payload capacity and up to 6,180 lbs. maximum towing capacity.  

32.3° - Angle of Approach
19.6° - Breakover Angle
23.0° - Angle of Departure
(without tow hitch receiver)

Frontier® is a truck built to pull your dreams farther off the beaten path. Starting with Tow-Haul Mode, which optimizes your drive on the highway for heavier loads. Turn off the highway and Frontier can help you overcome uneven, hilly terrain with features like hill start assist and hill descent control® and confidence-inspiring approach, breakover, and departure angles. When it’s time to get your trailer of choice up that last hill, engage 4LO and the electronic locking rear differential for maximum traction.
