Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. “Hands-free” devices and systems are designed to be used when you are parked, stopped, or not actively operating your vehicle. Always listen to traffic conditions, always monitor the traffic environment, and always be prepared to react. Always keep your attention focused on the road. See Owner’s Manual for safety information. See Owner’s Manual for safety information. Always wear your seat belt. Please drive responsibly.

You deserve a crossover designed to excite

Good is fitting in. Great is standing out. And Murano® does just that. Going way beyond eye candy to deliver all-season power and advanced technologies. This is a crossover that elevates the thrill like never before. This is Nissan Murano.
Available Heated and Ventilated Front Seats
Available Semi-aniline Leather Appointments
Available Dark Wood-toned Finishes
Front and Rear USB-C Ports

Design is in our DNA

It’s what defines us, and inspires us. Beginning with available dark wood-toned finishes and semi-aniline leather-appointed seats. Every inch of style is illuminated by the available Dual Panel Panoramic Moonroof that lets in natural light with an expansive view to the sky above. And available rear heated seats and USB ports show your passengers in the back just how inspired great design can be.
Intelligent All-Wheel Drive
Murano’s available Intelligent All-Wheel Drive adapts to changing conditions, helping you get an enhanced grip on the road. The system can automatically switch from 2-wheel to 4-wheel and back, for optimal fuel efficiency and confidence behind the wheel.3,4

Seamless connectivity
People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Murano.® Simply plug in your compatible iPhone® and go.1,5,6,7

Talk to Google on Android Auto™ and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, “Hey Google” or, in compatible cars, long-press the voice control button on your steering wheel to get started. 1,4,7

Motion Activated Liftgate
Hands full? Just kick under the rear bumper to open the available Motion Activated Liftgate, without reaching for a key or juggling whatever you’re carrying.15

Intelligent Around View® Monitor
Keep your pride and rims intact. The available Intelligent Around View® Monitor makes parking easy with a virtual composite 360˚ bird’s-eye view of your Murano. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen warning when it detects moving objects near your vehicle. We’re looking at you, shopping cart.16,17
