There’s no better time to jump to the next level. The sharp-handling Versa® dares you to reach higher with striking new looks, wallet-friendly mpg numbers, and an astounding selection of available next-gen connectivity, safety technology, and driver assist features.2,3 Your time has come. Your time is now. Meet the Nissan Versa.
Wireless charging

Leave the charger cable at home. Keep your compatible device charged up with available wireless charging. Simply place your compatible smartphone in the designated area to begin charging.

Drive with technology on your side

Behind the wheel, Versa® is seamless, intuitive, and effortless. Set your speed and go with the flow of traffic with available Intelligent Cruise Control. Keep track of songs, incoming calls, trip data, and more with the available 7” Advanced Drive-Assist™ Display.

People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.

Talk to Google on Android Auto™ and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” or, in compatible cars, long-press the voice control button on your steering wheel to get started.

Nissan Safety Shield® 360

Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side and can step in to help keep you safe. These six advanced driver assist features are standard or available on every Versa model.

- Automatic Emergency Braking with Pedestrian Detection
- Rear Automatic Braking
- Rear Cross Traffic Alert
- Blind Spot Warning
- Lane Departure Warning
- High Beam Assist

Smartphone connectivity

Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side and can step in to help keep you safe. These six advanced driver assist features are standard or available on every Versa model.
Versa® sips fuel sparingly, returning an exceptional 40 highway mpg fuel economy and still delivers more power than ever. That means plenty of punch around town and when merging on the freeway.

Load up the way you want to
When you need more room for cargo, the available 60/40-split fold-down rear seats let you add some gear with a passenger still aboard. Or fold both seats down and really pack it in.16

Your daily dose of “wow”
From the moment you get in, you’ll feel like you’ve been upgraded. Impressive fit and finish, smart design, and available tech you might find in some luxury vehicles all add up to your everyday “wow” moment.
